BELLE GLADE-PAHOKEE, FL.

## Council considers employing officer

**PAHOKEE** - The Pahokee Police Department may be one man stronger in the upcoming fiscal year.

The City Council in a budget workshop Tuesday night, September 7, tentatively approved a request from Police Chief Carmen Salvatore III for enough funds in the 1982-83 budget to hire a ninth man.

The department currently employs eight police officers, Salvatore said.

The new man would be used at times when an extra shift is needed and would help Salvatore avoid scheduling officers into six day weeks.

Two men a week are usually working six day weeks under the current circumstances, he told

the council.

The department hasn't grown since he took over 13 years ago, Salvatore said.

The amount of paperwork required by the courts has increased in that time, taking his officers off the street for long periods of time after they arrest someone or investigate an incident, Salvatore said.

"The report load is tremendous compared to what it used to be," he said.

The Pahokee department has a "good working relationship" with the Glades division of the County Sheriff's Office, but there some things the county cannot be expected to provide for the city, such as patrolmen in the outskirts of town.

Salvatore said.

"All we have is police officers who do a little bit of all of it," he said, adding that the sheriff's office provides special units such as helicopters on request.

Salvatore added \$20,000 to his budget for salaries for the new man and any proposed salary increases, but those figures were a guess on his part, he told the council.

He didn't figure a savings with a new man by reducing overtime hours worked because police officers do not receive overtime wages until work over 216 hours for a month, he said.

Officers also receive a \$25 monthly incentive stipend if they attend a police training school.

He said to put three men on each shift would require four added men, which he realized the city could not afford.

"But one extra man would help take up some of the slack," he said.

Salvatore also asked the council to consider purchasing two new automobiles for the department.

He also budgeted \$1,000 for maintenance on the recorder of the 911 system. He said the county had informed him that it would be billing the city \$1,000 annually for maintenance on the machine.

(Continued on Page 2)

## Taxes raise citizens' anger

**SOUTH BAY** - Several angry citizens of South Bay came to City Hall Tuesday night looking for answers and some relief from their 1982 tax bill.

The South Bay Commission set a budget hearing for Tuesday night and instead of hearing complaints on its proposed fiscal year 1982-83 budget, heard complaints that should have gone to Property Appraiser Rebecca Walker's office.

Frank Westwood told Commissioners his taxes for a vacant lot on Southeast Fourth Street had jumped from \$28.00 in 1981 to \$566.00 in 1982.

Westwood said his vacant lot was appraised at a higher value than the house he lived in.

City Manager Lomax Harrelle told Westwood, he felt part of the problem was that an old frame house that once stood on the property probably had not been taken off the deed.

James Vickers also appeared before the Commission and asked why a lot with a condemned structure had been appraised \$10,000 higher than last year's appraised value.

City Attorney James Gann told both, Vickers and Westwood they could request a hearing with the Property Appraiser office to seek relief from the assessments.

Gann said chances are the Property Appraiser office would reduce the assessments if the hearings were requested prior to Sept. 15.

The Commission also tentatively approved the city's budget for 1982-83 fiscal year.

- Recreation \$45,020.00
- General Govt. \$1,305,642.00
- Police Protection \$213,259.00
- Fire Protection \$73,373.00

STATE ATTORNEY GENERAL Jim Smith, Robert Turner during the Thursday morning tour of the Glades Correctional Institution, center, and GCI Superintendent

## Committee discusses corrections problems

By JEFF BROWN

**BELLE GLADE** - Overcrowding, one of the biggest problems facing the state's corrections system, was the main topic of discussion at Glades Correctional Institution Thursday, September 2, when the Governors Advisory Committee on Corrections met there.

The committee, chaired by Florida State Attorney General Jim Smith, met at GCI in an afternoon session after taking a walking tour of

the facility.

Overcrowding dominated the discussion as the committee members looked for ways to avert a crisis that could result in the release of convicts by order of federal judges in 1985.

The Department of Corrections needs a solution to the overcrowding issue by 1985 or federal judges will probably start releasing prisoners. According to Pam Davis, a department employee, the crisis could be averted with eight new corrections facilities in operation by 1985.

Committee members acknowledged that didn't seem too likely because it takes three years and four months to build a facility and have it occupied after a site has been identified, and the state has only two or three sites right now, including 20 Mile Bend Ranch between West Palm Beach and Pahokee.

Sites had been identified in Dade and Broward counties, and Smith assured the committee that plans to locate a facility at the Broward site should be successful despite opposition from the county which wants to locate a landfill there.

Smith said the state controls environmentally sensitive land the county is trying to acquire, and that "the department could 'kill' those plans if the corrections facility is held up by the county's opposition.

The department hasn't been too lucky in its efforts to acquire land for institutions at other areas, according to Davis.

One site had been located and the land acquired before it was realized that a high phosphate concentration created fumes, making it impossible to locate a facility there.

In other areas, communities and counties have objected to the idea of locating a prison facility in their areas.

Citizens in northern counties would like to see prisons located in south Florida because the bulk of the prison population comes from the southern area of the state, Davis said.

After a site is identified, it takes four months to appraise it and about two months to purchase it, according to information supplied by Davis.

A total of eight months is necessary to design the site and bidding and negotiation with the contractors takes another one and a half months. Construction takes two years.

Other than the sites in Dade and Broward counties, one of the only other plots of land available to the department is 20 Mile Bend.

"We may go to that if there is no other options," Davis said.

Eight new prisons would cost an estimated \$250 million.

"This is the most serious, most urgent problem facing us," said Secretary of Corrections Louis Wainwright. "We're still far, far from where we need to be. If we continue to incarcerated people at the rate we are, and don't do anything about diversionary programs and don't build prisons,

we're gonna have to release prisoners."

The committee also discussed the possibility of diversionary programs.

Committee Janet Reno, a state attorney from Dade County, suggested the department try diversionary programs because it didn't appear possible that the department would be able to build the eight needed prisons by the 1985 deadline.

Diversionary programs would divert convicts from the prisons into other programs, thus reducing the prison population.

"A diversionary program may be the only alternative to the problem," said Reno.

A motion by committee member Marvin U. Mounts, Jr., that the committee write a letter to all the state legislators informing them of the problem, was adopted by the committee. The letter will include letters committee members had been writing to lawmakers since first becoming aware of the problem.

"When the disaster strikes, we want the documentation to say 'We told you so,'" said Mounts, a judge in Palm Beach County.

# Corrections—

Continued from Page 1

The committee also discussed the state food allocation for each prisoner.

The state has allocated \$2.04 per prisoner per day, but the department has only realized \$1.87 of that due to cutbacks, according to Smith.

The Department of Health and Rehabilitative Services has been allocated about \$3.30 per inmate more, according to the committee members.

Smith said he has been lobbying hard to have

that discrepancy changed. The prisons have been meeting a master menu because of surplus food supplied by the federal government.

"We're making it because of federal surplus. And we don't know how long that's going to last," said Smith.

Smith and other committee members expressed the desire to see the HRS and Corrections allocations equal. He blamed the "phantom government of green-eye shade bureaucrats that make these decisions" for the inequity between the two departments' funding.

He said the only way bureaucrats who are prejudiced against prison inmates will change the funding formula will be if the governor demands it.

Assaults were also discussed at the meeting. Inmate assaults on other inmates at department institutions had dropped from a high of about 125 in June to 90 in July. On the other hand, inmate assaults on officers rose from a low of 30 in June to 60 in July.

Assaults at GCI dropped in both categories. There were six inmate assaults on other inmates in June and five in July.

Inmates assaulted one guard at GCI in June and none in July.

## Pahokee—

Continued from Page 1

Councilman William E. McKinstry said when the county and state were preparing for the installation of the 911 system, the city council was told all its expenses would be in purchasing

several pieces of equipment.

"Since it went in operation, the city has had many problems with the emergency number, he added, but said those problems would clear up when Southern Bell's new system went into operation in November.

"I'm not in favor of spending \$1,000 on something they're not gonna take care of at all," he said. "Besides, that ain't in the deal in the first place."

He requested a letter from Salvatore concerning the system before the council made a decision on the \$1,000.

In other business, the council examined the proposed budget for the Inspection Department and discussed a possible five percent raise for city employees.

The first hearing on the budget is Tuesday, September 14.

## South Bay—

Continued from Page 1

Commissioner Rennick Morris said the budget calls for a 10 percent raise for the five police officers, including the Public Safety Director's position and a seven percent for all other city employees.

Morris said if within six months the city's revenue is up enough to hire a sixth police officer, one would be hired. "If the revenue remains the same, no new officers will be hired," said Morris.

In other business before the Commission:

• Passed on second reading, a new city ordinance restricting the sale and consumption of alcoholic beverages in designated areas.

• Proclaimed October 18 through 30, Shriner Hospital Days. The proclamation honors Shriners for their operation of Shriner Hospitals for children.

Wes Brown

## Brown joins Herald's staff

BELLE GLADE—Jim Jones, General Manager for Hammill Newspapers, announces the addition of Wesley Brown to the Herald-Observer staff.

Brown will be working as an advertising sales representative in the Belle Glade, Pahokee, South Bay and Canal Point area. He is originally from New Jersey.

He attended Carson Newman College, Jefferson City, Tenn., where he majored in accounting and management. Brown is familiar with this area,

having previously worked as an accountant for the City of Belle Glade in the Community Development Department.

Before moving back to Belle Glade, he was an assistant manager in Troy, Ala. for Wal-Mart, a chain of discount stores.

He and his wife, Sharon Kay, have two boys, Justin and Brian. Brown's parents are Rev. W. Raymond and Viola Brown. Rev. Brown pastors at the Lake Harbor Community Methodist Church.

## Cable company plans audit

BELLE GLADE—Jones Interable, Inc., announced today the commencement of its annual system audit. James Brewer, manager of the local

television cable company said the audit is presently underway in certain sections of Belle Glade and will continue through the month of September.

The audit, according to Brewer, will determine an accurate accounting of Jones Interable subscribers throughout the system.

Jones Interable employees will be identified by identification badges worn on the outside of their clothing. Brewer said

all names and descriptions of the employees working the audit are on file with the Belle Glade Police Department and the inter-cable office. Should

anyone have suspicion in regards to any activity regarding the audit, a phone call to one of these authorities should be made.

Brewer added do not release any funds to inter-cable personnel unless proper identification has been shown.

# Japanese dance performance starts cultural season

**BELLE GLADE**—The Dolly Hand Cultural Arts Center premiere opening season kicked off Wednesday with a performance by Japanese dancers Ayako Uchiyama.

According to Mrs. Judy Schiele, director of the center, the Cultural Arts Center 1982 Fall Series will include four theatrical productions, one musical and a concert sponsored by Palm Beach Junior College in conjunction with various community groups.

On Saturday, Oct. 23, "Sweet Adelines" will premiere.

The Royal Palm Chorus chapter of Sweet Adelines from West Palm Beach will present an evening of four part harmony,

barbershop style.

On November 5, a mystery play entitled, "Angel Street" originally titled "Gothlight" and starring Ingrid Bergman and Charles Boyer in the movie version, will come to the Glades.

The play's theme is centered on a beautiful young wife on the verge of a mental breakdown, her charming who is driving her insane and the eerie dimming of the nightlights each evening combine to make Angel Street a masterpiece of suspense and intrigue.

The production will be presented by the Asolo professional state touring company from Sarasota.

Music will ring from the Cultural Arts

Center on Monday, Nov. 11, when Theofore Lettvin presents a "Family Concert."

According to Schiele, through commentary and imagination, Lettvin touches the minds and hearts of the audience, children and adult alike, through his approach to classical music.

A famous pianist, Schiele said Lettvin is dedicated to educating his audience through interpretation of music.

Something extra special for the kids will come to the Glades on Sunday, Nov. 28, The Royal Palm Playhouse, of Palm Beach, will send its Children's Theatre on tour of the Glades. Excerpts from Broadway

shows will be performed by children.

In celebration of the Christmas season, the Arts of West Palm Beach will bring to the Cultural Arts Center on Saturday, Dec. 11, their revised production of the Nutcracker. The Snow Queen, Snow Prince, the Sugar Plum Fairy and the Kingdom of Sweets will all come alive on the stage.

On Friday, Jan. 7, a play for the truly "young at heart" will be produced at the Center. "Born Yesterday" Garcon Kanin's play originally performed on Broadway by Judy Holiday will be acted solely by persons 58 years and older.

Members of the Continuing Education Department of PBJC

Central Campus will star in the play.

Anyone who cares to help support the cultural arts programs at the Dolly Hand Cultural Arts Center may make a tax deductible donation of \$100 to the Foundation, according to Mrs. Schiele.

Organizations and individuals who

became "Friends of the Theater" will receive first choice of up to four reserved seats for each performance held at the Center. Tickets for the performances are purchased separately.

Mrs. Schiele said the donation and reservations will be accepted beginning Sept. 9 on a first come serve basis.

On September 23 seating reservations

will be open to all series ticket holders and in the registrar's office.

## Club members attend camp

**SOUTH BAY**—Nine members of the Glad Day Branch of the YMCA of South Bay attended resident camp at the YMCA Camp McConnell in Micanopy during the months of July and August.

Camp McConnell is a summer camp for boys and girls ages seven to

sixteen which is owned and operated by the YMCA of the Palm Beaches.

Mrs. Gwen Davis, coordinator of the South Bay Summer YMCA Program said Camp McConnell is "one of the most beautiful resident camping facilities in Florida." She said the camp offers a program

that is designed to develop and enrich the growth of the whole child in body, mind and spirit.

South Bay Growers, Inc., a subsidiary of United States Sugar Corporation donated funds to the YMCA of the Palm Beaches to assist in the operation of the program for kids living in South Bay.

Attending camp from Glad Day were Joseph Francis, Ricky Hammond, Charlotte Croyton, Vincent James, Leonard Allen, James Spencer, Stefan Carter, Tonya Allen and Marcus Lampton.

Several of the students received camp certificates of awards in swimming, tennis and arts and crafts.

## Police thwart burglary

**BELLE GLADE**—Two members of the Belle Glade Police Department, responding to a silent alarm, interrupted a burglary in progress and apprehended a suspect Sunday night, September 6.

Willie Lee Nixon, who turned 19 the day before, was apprehended as he exited the Mr. Jerry's Discount

Center at 325 West Avenue A.

Nixon, of 551 SW Fifth Street number 16, was observed by Patrolmen Barry Finkey and Phillip Meskin from the front window of the store after a silent alarm went at the police station at about 10:15 p.m.

Finkey, who approached the store

from the east, and Meskin, who approached the store from the west, allegedly observed Nixon standing behind a counter. The front plate glass window was broken.

Nixon was seen picking up two portable radios as he left the store.

As he came through the broken window, Meskin and Finkey ap

prehended Nixon. At the police station, three Tins, scratches were found in his possession.

Total value of the property Nixon supposedly stole was \$441.71.

Nixon, who gave his alias as "Jerry Lewis," was charged with burglary and grand theft and was held under \$3,000 bond.

## Police seek armed robbers

**BELLE GLADE**—Belle Glade Police are seeking two Latin men (who forced four local residents into a bathroom and burglarized the residence they were in).

According to the police reports, two men, possibly Cubans, entered uninvited into Melina's at 832 SE Ninth Ave at about 6:40 p.m. Wednesday, September 1.

Melina and three others, Magie Merlan, and Flavio Merlan, 6, of the same address and Bertha

Agromonte, 48, of 34 NE Avenue H, were in the kitchen and dining room area when the intruders entered and pulled panty hose over their heads.

The two men, brandishing automatic handguns in their right hands, ordered the four into the bathroom, saying "Don't move. Nothing is going to happen to you. Stay in there."

The bathroom door was closed behind them and the two intruders ransacked the bedroom, stealing between \$15,000 and

\$20,000 worth of jewelry, cash and credit cards.

Police investigating the scene found a panty hose stocking left behind.

According to the reports, police are seeking two Latin males.

One, standing five feet, eight inches tall, is between 20 and 25 years old. He wore a "fuman" shirt, mustache, brown slacks and a brown felt

hat. He was small and slim of build with medium length brown hair, brown eyes and dark skin.

The second suspect was five feet, eight inches tall, between 20 and 25. He also had a small, slim build and had medium length brown hair, brown eyes and dark skin. He wore khaki slacks.

One carried a blue gun and the other a nickel plated gun.

HERALD OBSERVER

**H & R BLOCK**

**TO OFFER TAX SCHOOL IN BELLE GLADE & CLEWISTON**

Thousands of people are earning money in their spare time as income tax preparers.

H & R Block, the world's largest income tax preparation service, is offering a basic income tax course starting September 8 with morning, afternoon and evening classes available.

During the 12 week course, students will study all phases of income tax preparation and receive actual experience in preparing individual returns. Experienced Block personnel will teach current laws, theory and application as practiced in Block offices nationwide. There is a classroom lecture on each subject and practice problems of every level. Courses are programmed to teach increasingly complex tax problems as study progresses. Students will find the course both interesting and challenging.

Anyone may enroll. There are no prerequisites or qualifications. Courses are ideally suited for housewives, retired persons, teachers or persons wanting to increase their tax knowledge.

Qualified course graduates may be offered job interviews for positions with Block. Many accept employment with Block because of the flexible hours available. However, Block is under no obligation to offer employment, nor are graduates under any obligation to accept employment with H & R Block.

The modest course fee includes all textbooks, supplies and tax forms necessary for completion of the school. Certificates and 7.5 continuing education units will be awarded upon successful completion of the course. Visa/Mastercard accepted at all participating offices.

Registration forms and brochures for the income tax course may be obtained by contacting the H & R Block office at 212 E. Superior, Clewiston, telephone 982-5577 and 116 S.W. Ave. E. Belle Glade, telephone 996-4282.

# Glades Day wins last quarter, ties first in jamboree

**BELLE GLADE** - The Glades Day Gators hosted a football jamboree on the last weekend before they opened their regular season, and came away with a scoreless tie and a seven-point victory in two quarters of play.

The Gators met the Moore Haven Terriers in the first quarter, which ended after 12 minutes of play in a 0-0 draw.

The Terriers were turned away twice before the Gators managed to put together a drive which brought them to within scoring range.

In the last quarter, the Gators met John Carroll, and came off the field with a 7-0 victory.

Most of the play in that quarter was concentrated near mid-field, with the Gators threatening twice and scoring once.

John Carroll also met Benjamin in the second quarter, losing that contest 7-0.

Benjamin and Moore Haven fought to a scoreless tie after 12 minutes in the third quarter. "Our offensive line is looking really good," said

Gator Head Coach Byron Walker, Jr. "We established a running game in both quarters which was good. Defensively, we gave a little but didn't break down."

Jose Perez led the team in rushing and quarterback Raul Garcia completed five of 11 passes for 78 yards.

This week, the Gators host Pinescrest in the season opener. Last year, Pinescrest beat the Gators.

Walker said he hopes to change that this year by establishing a running game and avoiding mistakes.

"The team that wants it the most and makes the least mistakes is gonna win it," he said.

The kick-off time is 8 p.m. at Glades Day.

**JIM JONES**

**BOILER PLATE**

will do something far worse than the federal government: he'll quit and take his talents elsewhere. No sensible employer wants to lose a trained, dedicated, dependable worker. Competition in the job market place will take care of the wage problem.

The biggest drawback offered by a minimum wage is the fact that it denies training and experience to those who might otherwise receive it. An employer is not going to hire any more workers than he can afford. If the price of labor is kept artificially high, he will find other ways to get the job done.

One of the saddest things about the economic mess that we are in is that some would rather collect welfare or unemployment compensation than work. A prime local example is the harvesting of cane. The sugar companies will have to go to the Caribbean again this year to get the workers they need—despite extensive advertising of the jobs, which pay above minimum wage.

This is just another reflection of the way the tentacles of the federal government reach into our lives.

Despite the fact that a conservative Republican occupies the White House, the octopus shows little sign of relaxing its grip.

Hope your Labor Day was a happy one.

MIKE SCHLECHTER, 12, attempts a field goal against John Carroll in the fourth quarter of the Glades Day Jamboree Friday night. The field goal attempt failed, but the Gators won the quarter 7-0. Brian Lahmann, 15, held the ball for Schlechter.

## A labor of love?

Labor Day of 1983 has some similarities with Labor Day of 1933 when depression was king.

We have a complex set of economic problems that none of us really seem to understand. The best that we can do, those of us who are working, is be glad that we have a job, any job.

There are some who say that we are in the midst of a second Industrial Revolution. Robots are taking the place of humans on assembly lines. The future is in electronics, computers and robot design. Where does that leave those who have no aptitude in those areas?

No, it is not a good time for either labor or business. Workers can lose around that sea that there are two or three persons ready to take their job should they falter.

Bankruptcies rival those of the 1930s. It's true, the best friend of labor is business, big or small, not government.

Government shows a marked inability to put people to work. CETA was the last great experiment that failed.

Even so, it persists with a bloated civil service system, much of which is dedicated to checking up on the private sector.

I have even changed my opinion on the minimum wage. I think setting a minimum wage is a mistake. Employers have to pay a fair wage to valuable employees. If they don't the employee

## Nursing workshop starts Saturday

**BELLE GLADE**—Palm Beach Junior College Glades Campus will offer the following Continuing Education Courses:

- Psychology Workshop for nurses begins on Saturday, Sept. 11. Please register with the PBJC registrar's office by Sept. 10.

## Why I wasn't born with pogo sticks

Well, sir, the rodeo came to Moore Haven over the weekend and picked up a lot. I'll tell you. But it serves me right for wearing open-toed sandals. Who needs fertilizer on their corns.

I'm an admirer of horses. And cows. And boys. And of girling do. But that didn't stop me from sighing, "Yeah, Calli" when one managed to slide the noose. In case you've never noticed, calves think rodeos are a pain in the neck, and it's easy to see why.

There was also a horse I cheered for. He was supposed to come out of the chute as a bucking bronco. Instead meandered out and lay down. Cowboy be damned. Probably doesn't have much of a future on the rodeo circuit with that attitude but I could empathize. All of us have Mondays when we wish the rodeo would get on without us.

I've been around the glades long enough to know that Palm Beach County east is east and west is west but it didn't prepare me for a horse trailer with a FPO license plate. To those any other county in the US of A shared by polo ponies and cow ponies with riders to match?

I've never been much of a horse rider. Not for me, one foot in the stirrup and a hearty swing of the right leg over the flanks. First they have to prop a ladder up against the beast or bring a bucket truck to get me up top. Invariably, the horse looks over its shoulder and whinnies a bronze cheer. After that we're not trail partners, we're adversaries.

When other riders kick horses in the ribs, it's a signal to go faster. For my horse it means I'm still trying to mount.

Once on board I try to roll with the haunches, which is okay in a slow walk. But if the horse takes a notion to trot, I take cruel and unusual punishment. I've never learned to stay with the horse on the downbeat and rest on the upbeat. Which leads the horse to believe we'd both be more comfortable if (a) he galloped or (b) he stopped and grazed a bit.

Other girls may have walked home from a ride to save their virtue. For me, it was always to preserve my pelvic contour from being permanently rearranged. It's one thing to walk funny for a few hours after a cantor; it's something else to walk that way forever.

I really did walk home from a ride on a horse and it was the most humiliating day of my life. While still aloft, I had looked down and noticed the saddle blanket had slipped. He'd grazed quite a bit on that ride and maybe put on a few extra pounds and it didn't fit any more or else I'd pulled it down with me hanging on to his neck to keep from sliding off while he was dining on the roadside shrubbery.

I decided to dismount and see what I could about straightening up the underpinnings. I never quite caught up to him again. He didn't bolt. He didn't try to gallop. He just walked a few steps faster than I did. If I ran a few steps, so did he. And if I stopped, he did. A foot in front of me. The rubber horse lived up to his contract. I'd rented him for an hour, and he was all mine. But not to ride again.

For two miles back to the stable we danced the

## AILS AILSA DEWING

AND WHAT NOT

horsetrot with him leading by a nose.

He really didn't have a thing to worry about. It would have taken a dragline to put me back in the driver's seat.

If the good Lord had wanted me to ride horseback, he'd have given me pogo sticks for legs.

## Phillips-Johnson engagement told

**BELLE GLADE** — George and Dorothy Phillips of 800 S.W. 16th St. Belle Glade announce the engagement of their daughter, Nancy Jean to Michael Eugene Johnson, also of Belle Glade.

The groom elect is the son of Bryan and Marie Johnson of Seville, Florida.

The couple are planning a Dec. 18 wedding

at the Community United Methodist Church in Belle Glade.

The bride elect is a 1979 graduate of Christian Day School. She is currently employed by Allen, Matthews and Baker, Attorneys-at-Law in Belle Glade.

The groom elect is a 1975 graduate of Northeast High School in Boca Raton and is currently employed by the Belle Glade Police Department.

Miss Phillips

## Anderson nominated outstanding woman

**PAHOKEE** — Mrs. Henrietta Allen Anderson of 216 Dobrow Ct., Pahokee has been nominated as an Outstanding Young Woman of America for 1982, an honor that recognizes young women throughout the nation for professional achievement, and community service.

Mrs. Anderson, employed with the Western Palm Beach County Mental Health Center, will compete with other candidates from Florida for the Outstanding Young Woman of the Year award, and from the state finalists a panel of distinguished judges will select the Ten Outstanding Young Women of America.

Mrs. Anderson, the mother of one daughter, Bonnie, and two sons, Larry and Norris, is active in many community projects. She is a member of

Mrs. Anderson

the Greater New Hope Missionary Baptist Church, and serves as director of the youth choir for the church, a position she has held for the past four years. Mrs. Anderson also served as the church's Women Day chairman for 1981.

Mrs. Anderson was nominated by Keith Walter Babb, of 298 West Fifth St., Pahokee, a former honoree of the Outstanding Young Men of America Award.

## Kappa Alpha Psi plans pageant

**BELLE GLADE** — The Glades Alumni Chapter of Kappa Alpha Psi Fraternity, Inc., is sponsoring its first Miss Kappa Alpha Psi Pageant.

Horace Dozier, publicity chairman said the contest will be divided into three categories.

Girls ages 6 to 12 may enter the Little Miss Kappa Alpha Psi

(Continued on Page 4)

## Konrady-Bell final plans set

**PAHOKEE** — Tamara Konrady of 180 Cypress Ave., Pahokee and Donald J. Bell of Belle Glade announced plans to wed on Sept. 26 at the First United Methodist Church in

Pahokee. Rev. Donovan will officiate at the double ring ceremony. No local invitations are being sent. Family and friends of the couple are invited to attend.

## Revival starts Sunday

**PAHOKEE** — The Lakeside Baptist Church on Bacon Point Road, Pahokee will be having a revival starting Sunday evening, September 12 at

7:30 p.m. nightly through Friday, September 17. Evangelist David Gurgie from Auburn, Fla. will be conducting the revival.

## YSB offers parenting course

**BELLE GLADE** — The Palm Beach County Youth Service Bureau is sponsoring Systematic Training for Effective Parenting (STEP) classes throughout the county on a continuous basis.

The class will teach parents effective ways in dealing with daily child rearing problems such as: Getting chores completed, Bedtime

• Mealtimes  
• Sibling Rivalry  
• Discouraged Students  
• Disciplining effectively  
• Teenage problems

For information on enrolling in one of these classes call Mrs. Celester Monroe or Jerry Ford at 996-4833, the Glades Office Building, 2976 State Road 15, Belle Glade.

## Cupidettes plan calendar events

**BELLE GLADE** — The Belle Glade Chapter of the Cupidettes' Club, Inc., held their first meeting of the year on Wednesday, Sept. 1.

Ms. Shirley Walker served as hostess for the meeting.

Dorothy G. Oliver, president gave the highlights of the National Cupidettes' meeting held in Atlantic City, N.J. Mrs. Oliver was appointed National Chairman of the Grievance Committee for two years by the National President.

Mrs. Oliver said the Cupidettes' Calendar of the year will begin with rendering services to the community.

"One of our major projects will be to entertain and have a haunted house party for all senior citizens in the Glades Area in October," said Mrs. Oliver.

Other events for the year will include a local scholarship, a Sing-A-Rama, Christmas Party, Cupidettes Ball, The Dance of the Fillys, Cupidettes Tea and the Crowning of Miss Cupidette coronation.

## Jones plans party

**PAHOKEE** — Barbara Jean Jones will celebrate her 28th birthday, Saturday, Sept. 11 at the Canal Point Community Center.

An employee of the Palm Beach County School System, Miss Jones invite all of her friends to come out and help her celebrate the occasion.

## WANTED PEOPLE WHO LIKE PEOPLE

# State title within reach for Tigers

By GLEN GIFFORD

Clewiston High football coach Al Morrell isn't predicting a state 2A championship for his Tigers in 1982. Accounting for all the what-ifs and could-be's, he thinks there is a possibility—but that's as far as he'll go.

"I like to think we're one of many teams that has a chance to win it," he said. "But we have a lot of games to play before we can even think about that."

Morrell is following the standard line for football coaches at every level — stay low-key and don't promise what you may not be able to deliver. But after returning most of last year's state runnerup team, knows both his players and the community are thinking along championship lines.

"I never talk in terms of how many games we win or lose," he said. "We'd like to win 'em all, but we could easily lose two or three close games."

"In terms of talent, dedication and attitude, we have as much of that this year as any year."

This year's edition is bigger than recent years, but Morrell hopes to retain the speed and quickness of the past several seasons.

The Tigers had a constructive offseason, including a summer of intensive weight training for many players. The rain stayed away for most of fall practice, and Morrell said he was satisfied with almost all his squad's practice sessions.

Among the experienced returnees are all-state offensive linemen Randy Dixon and Wycliffe Lovelace. At 265 pounds, Dixon is the Tigers' biggest player.

"We should be better if for no other reason than the extra year of experience most of the guys have," Morrell said.

A potential weakness is the defensive line,

where three newcomers will start. The running game should improve because of unusual depth. Morrell foresees plenty of playing time for four runners—Gerald Johnson and Hal White at tailback, and Leonard Mixon and Ralph Brockington at fullback.

Brockington is even more valuable on defense. Morrell gushes over his potential at linebacker.

"I consider him one of the best in the area, if not the best," he said. "He's an all out player who gives 100 percent and doesn't run out of gas."

Dixon, a senior, and Lovelace, a junior, anchor an offensive line on which four of six players have experience. Willie Benson, a junior, and senior John Sorrells also started last season.

Robert Holmes returns for his senior year at quarterback. He won the starting job last season after moving over from receiver, but broke a collarbone in the first game against Sebring, injured it midway through the schedule and sat out the rest of the year.

The Tigers are smallest at the two receiver positions and in the defensive backfield. However, CHS is two-deep both at corner and safety.

The kicking game is secure with Pete Walker. Morrell said he is counting on backup players to perform on a level with the starters.

"The key to the season is how many kids not starting can play up to the level we're hoping for, so that we won't be pushing our starters," Morrell said.

"Right now, a lot of them aren't ready yet, but that's expected. But we're getting close with them. It's just a matter of a couple of games."

The Tigers face a 10-game schedule that should have them in playoff condition should they get past the district level. They face seven 3A schools, but as Morrell points out, classification

Members of the 1982 Clewiston High School varsity football team include (front left) Pete Walker, Robbie Pittman, Titus Dixon, Leonard Mixon, John Sorrells, Gerald Johnson, Emory Payne, Tony Donnelly, trainer Jimmy Rider, (second row) Hal White, Robert Holmes, John Reid, Michael Holmes, Wade Hinson, George

Van Weese, Richard Grooms, Ralph Brockington, (back row) head coach Al Morrell, coach Joel Williamson, coach John Mack, Howard Beardsley, Clay Harrison, Wycliffe Lovelace, Randy Dixon, Jess Purvis, Ken McDuffie, Willie Benson, coach Vance Johnston, coach Larry Antonacci, coach Frank Lasagna.

often doesn't mean a thing.

"They're bigger schools, so they should have good material. But some 2A schools can be as good as the 3A schools," he said.

Traditional 2A rivals Immokalee, LaBelle and Palmetto will run the schedule.

"Palmetto has a little more talent than the other two, but LaBelle and Immokalee can be tough," Morrell said. "We're all real big rivals. Looking at the schedule we're going to have to play some ball to win all 10."

## Clewiston starters at a glance

Let's kick off this brand new gridiron season with a hearty salute to our home team stars! We plan to cheer them on at every game, with top attendance and lots of rousing support! See you there!!

## U.S. SUGAR CORPORATION & IT'S EMPLOYEES

The CHS coaching staff: (front left) Joel Williamson, Larry Antonacci, (back row) Vance Johnston, Al Morrell, John Mack, Frank Lasagna

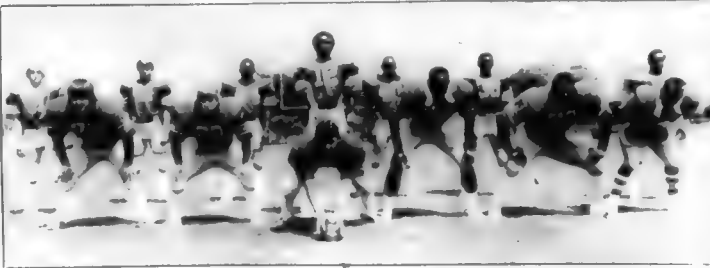

Co-captains of the Tigers this season are (from left) Ralph Brockington, Randy Dixon and Robert Holmes.

# More about the Clewiston Tigers

AL MORRELL

The Tiger offense includes (front left) Clay Harrison, John Sorrells, Earl McDuffie, Wycliffe Lovelace, Randy Dixon, Willie Thomas. (back row) Pete Walker, Earl

White, Gerald Johnson, Robert Holmes, Ralph Brockington, Leonard Mixon and Titus Dixon

## Al Morrell is a proven winner

Whatever material Al Morrell has to work with, he seems to find a way to win.

Last season was a good example. In his fifth year as head football coach at CHS, Morrell took a young, inexperienced squad to a 13-2 record and the state 2A title game.

Morrell has never had a losing season at CHS. He has compiled a 48-12 record since becoming head coach in 1977 for an 80 percent win record, best of any coach in CHS history. Fil Nocera, who coached from 1948 to 1961, is second at 71 percent.

Morrell is within striking distance of overtak-

ing Carl Ferrara as most career wins for a Clewiston coach. Ferrara, who coached from 1953 to 1982, won 59 of 104 games.

The Tigers, 3-7 in 1976, improved dramatically the next season under Morrell to 8-2, including a bowl appearance. A big win over Ft. Myers that season marked the turning point for CHS.

In 1978, the Tigers duplicated their 8-2 record and captured the district championship.

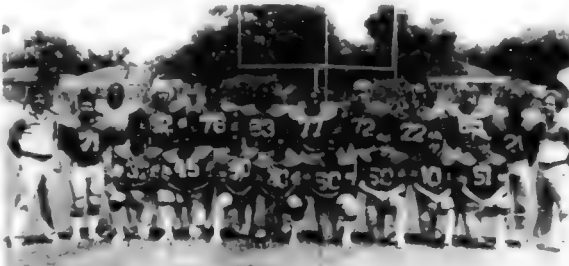

The next season, Clewiston improved to 9-1, but a loss to Pahokee in the rain cost the Tigers a second consecutive district crown.

The Tigers avenged the loss in 1980 during a

9-1 season. They routed Pahokee and stormed past Ft. Lauderdale Pinecrest in the regional playoff. In a memorable encounter on Cane Field, Clermont ended Clewiston's 1980 season in the state semifinal game, 14-12.

Last season, the Tigers were ranked number two in the state much of the season, which proved accurate when they lost the state championship game to Crawfordville-Waukulla 24-0.

Most of last year's squad returns for another try at the state title. Combine the added year of experience with Morrell's proven coaching prowess, and a championship year appears within reach.

The Tiger junior varsity team includes (kneeling left) Robert Pass, Keith Humphries, Ronald Wilson, Eddie Smith, David Watts, Darren Smith, Wade Walker, Brian Frazier (standing) coach Joel Williamson, Ludwig Romero, John Gowdy, Keith Byrd, John Crichtlow, Darryl Hill, James Bigham, Jarod Parrish, Philip Barber, Scott Kitteral, Charles James and coach Larry Antonacci. Ernest Prather and Mike McDaniels are not pictured.

# Remembering the greatest year in CHS history

By GLEN GIFFORD

The Tigers' 1981 season was a memorable one for several reasons: not only did the Tigers advance to the state 2A championship game, but they won 12 games, the most in CHS history.

Before CHS took the field for its first game, head coach Al Morrell vowed his team would be one the community would be proud of. It was a promise the Tigers kept, and then some.

CHS opened the season with a lackluster effort against Sebring, but still managed a 21-8 win. Quarterback Robert Holmes established the running game in the first half, before going down with a broken collarbone near halftime. His replacement, Pete Walker performed admirably for the remainder of the game, and also kicked two extra points.

Despite the disappointing effort, CHS moved from seventh to fifth in the state rankings entering its second game against Cypress Lake.

With four starters sidelined by injury, The Tigers Tigers easily notched a 13-2 win to improve their record to 2-0.

Melvin Williams began a kick return habit that lasted well into the season with a 65-yard jaunt for the Tigers' first TD. Willie Benson took a Pete Walker pass 34 yards for a score in the second period. Sammy White ground out 53 yards rushing in 12 attempts.

The shutout was averted late in the game when

Walker wisely set down in his own endzone to avoid giving Cypress Lake a final touchdown opportunity.

Monsignor Pace of Miami matched the Tigers in a tight first half at Cane Field in the third game. Hal White's 1-yard run in the fourth quarter was the winning touchdown in a 29-16 CHS win. Sammy White gained 128 yards in 11 carries to lead a 328-yard CHS ground attack.

Defensively, Sammy White, Hal White and Mike Pittman made four tackles apiece. The Tigers, 3-0, moved up to fourth place in the state 2A rankings.

Victory number four came the next week 34-12 over an inmotable team Morrell charged with "playing dirty."

Melvin Williams broke the game open with a 47-yard return of a pass interception and also caught an 18-yard TD pass from Pete Walker.

Following the win CHS moved to second place in the state poll, a position it would hold for several weeks.

The Tiger defense earned its first shutout of the season a week later in a 27-0 demolition of cross-county rival LaBella.

Four long scoring plays counted for the margin of victory in the Tigers' ninth win against only one loss since the series resumed in 1973.

Melvin Williams took a lateral 78 yards for CHS' first score in the second quarter. Marva Dixon dropped the second half kickoff, but scooped it up and raced 80 yards for a score. Willie Benson and Hal White also had long scores for the Tigers, 5-0 on the season.

Following five routs, the Tigers received a scare from Pahokee the next week in the District 14 title game. An extra point was the difference in a 19-18 overtime win for CHS.

"I've never seen two teams so ready to go four quarters as these two were," Morrell said after-

Melvin Williams scampered 91 yards with a kickoff return to highlight the Tiger scoring in regulation play. Pahokee knotted the score at 12-all in the fourth quarter, then took the lead in overtime on Antonio Wilson's 8-yard run. Williams tied the tie at 19-10 on a 10-yard run. Then Pete Walker booted the winning extra point, the first successful conversion for either team.

On grassless, dusty Turner Field, Williams returned yet another kickoff 91 yards for a touchdown against Moore Haven. The Tigers shut out the Terriers 18-0 as Williams Gerald Johnson and Hal White each recovered a fumble and Wycliffe Lovelace had six solo tackles.

CHS then traveled to Wauchula for a battle of unbeatens, and ripped the host team 30-0.

The defense, though denied a shutout, dominated the game. Ralph Brockington blocked a first-quarter punt, and Sammy White had six tackles. Gerald Johnson stepped in front of a Wauchula pass and run 45-yards for a touchdown, and ripped the host team 30-0.

Quarterback Robert Holmes, who had returned from injury several games earlier, re-broke his collarbone, ending his season.

The Tigers experienced defeat the following game after eight consecutive wins. In a close defensive battle, Ft. Myers won 7-0 in overtime.

CHS flubbed several scoring opportunities in regulation play, as neither Wade Hinson, the first-half quarterback, nor second-half signal-caller Walker could punch the ball into the end zone.

Ft. Myers scored on its first possession in overtime for the win.

Homecoming at CHS brought Okeechobee to

These seniors will finish their high school careers at CHS this season. (Front left) Ralph Brockington, John Sorrells, Pete Walker, Emory Payne. (Back row) Howard Beardsley, Robert Holmes, Randy Dixon, Clay Harrison, John Reid.

Willie Benson had eight tackles. "They weren't a team we couldn't have beaten," Morrell said. Perhaps Morrell's squad can deny Crawfordville a third straight state title in 1983.

## Lasagna joins CHS coaching staff

Frank Lasagna joins the Tiger coaching staff this season as assistant line coach.

Lasagna, 36, and his wife Kaye came to Clewiston this summer all the way from Spearfish, S.D. Both teach at CHS. Kaye in language arts and Frank in biology and physical education.

Originally from Pittsburgh, Lasagna earned a bachelor of science from Huron College in Huron, S.D. He also played football there, mostly at fullback and tight end.

His first teaching and coaching job was on a Sioux Indian Reservation, where he was head football coach at Cheyenne Eagle Butte High School. He then taught two years in Pittsburgh city schools before relocating again to Westington Springs, S.D. for four years. He was the head wrestling coach there.

Lasagna taught two years at Spearfish High School before coming to Clewiston.

Other Tiger assistant coaches are Vance Johnston, offensive and defensive line; John Mack, receivers and defensive secondary; Joel Williamson, head junior varsity coach and varsity line coach; and Larry Antonacci, junior varsity assistant, and offensive and defensive backfield.

Junior varsity cheerleaders from CHS are (from left) Michelle Marotta, Missy Beatty, Linda Andreis, Pam Hinson, Mario Harn

Cheryl Hinson, Julie Gray and Jenni Tomasek. Missing is Lavita Powell.

The Clewiston Cougar Cubs include (front left) Gregg Childress, Charlie Moore, Henry Flournoh, Fred Smith, Rolando Mitchell, Jimmy Altman, Chris Gaylor, Jesse Upstrom, Doug Cardin, Bob Williams, Cayon Andrews, (middle row) David Means, David Bonity, Lorenzo Brewster, Brian McDonald, Jamie Davis, Mike Boukman, Mitchell

Clark, John Hughes, Anthony Patrick, Mark Simmons, Bobby Eldon, Carlos Elias, (back row) Winston Gordon, Derek Freeman, Mike Baxter, Jim Froelich, John Parker, Wade Blair, Cliff Greenwood, Greg Pencorinho, Freddy Dyess and Freddy

Members of the Clewiston Cougars senior team are (front left) David Hunter, Kevin Gibson, David Boone, Joe Lee, Nathan Taylor, Terry Perkins, Dwight Nicholas, Kevin Rashford, Frankie Coleman, (middle row) coach Jerry Ulrich, Theopais Payne, Robert Frost, Danny Hill, Demetrius Jones, Hiram Simpson, Michael Felton, Byron Thompson.

Emanuel Rouse, Greg Carter, Chris Keys, Jerome Washington, Jerry Mosley, coach Dicky Sweet, (back row) head coach Ben Cuthlow, Ronald Horton, Freddie Moore, David McCarty, Miguel Perera, Tony Baxter, Anthony Smith, Glen Hibbert, Doug Parris, Rannie Brown, Herman Summers, Charles McCoy, Artie Rashford, coach Abdon Anderson

Members of the Clewiston Cougars Junior football team: (front left) manager Toby Smith, Charles Felton, Claude Bleman, Jeff Childress, Elgin Watts, Maury Skinner, Joe McCray, manager Tim Teal (second row) manager Lefoy Bass, Marvin Gross, Eddie Horace, Theodore Granville, Owen Bland, J.R. Moore, Keith Sirmans, David Gray,

Ronald Moore, Ken Hardy, Andre Hankins, Daniel Borges, manager Bernard Moore, (third row) manager David Watts, Jason Parrish, Chris Chaney, Vernon Wright, Willie Belvin, Eric Lewis, Michael Williams, Reggie Freeman, Tim Washington, Andrew Hibbert, Marvin Brooks, Jerrod Pass, Eric Williams, Stuart McGeehe.

# Terriers plan change in team philosophy

In an attempt to improve last year's dismal 2-8 season, the Moore Haven Terriers have adopted a new team philosophy.

"We're going to try and win one game at a time this year, said Terrier head coach Steve Petti. "Last year we were playing to win district before the season even started."

He added that the team is more "like a family" this year than last year and pointed out that last

year the players were "pointing a finger" at each other during the losing season.

Petti explained that the team's strong points are overall team speed and interior line experience.

On the other hand, the team's backs and flankers are relatively new and the team lacks depth in some positions again this year, according to Petti.

However, Petti stressed that the players are more dedicated on the field this year and are spending 1 1/2 hours per day in the weight room.

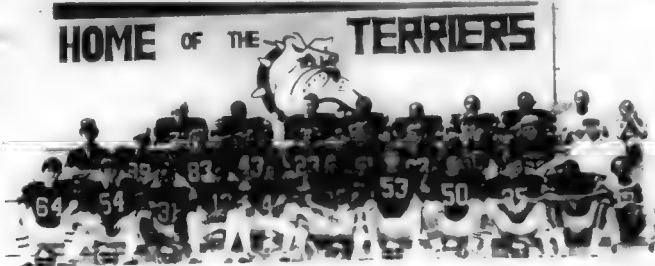

"Pride and discipline are my big things in practice," he said.

Petti said he was "real pleased" with the turnout of players for the varsity and junior varsity teams and pointed out that last year at this time, the varsity team only had 17 players compared to

26 players this year.

Petti declined to make a pre-season prediction on the team's record for this year in lieu of his 7-3 prediction for last year.

"My goal is to break the .500 record," he emphasized, adding that the Terriers haven't had better than a 2-5 season for the past several years.

The Moore Haven High School Varsity team players include: Leonard Ballum, Julius Bishop, John Brown, Kelvin Brown, David Cline, Earl Cline, William Criswell, Burney Espinosa, Charlie Ford, Leonard Ford, Ron Ford, Charlie Gasper, Mark Holder, Norman Jourigan, Nathaniel Kel-

ly, Sean McCall, Bernard McPherson, Gerald Moore, Mike Moretti, Curtis Perry, Tommy Perry, Andy Ringstaff, Allen Slater, Walter Summerall, Adrian Thomas and Anthony Williams. The coaches are: Steve Petti (head coach), Sonny Hughes and Wayne Ressa.

Moore Haven Junior Varsity football players include: Mickey Acree, Scott Bass, David Beck, Crowell Bookal, Jamie Brasswell, Charlie Brown, Lavon Brown, Clay Browning, Michael Davidson, Timmy Dohson, Aaron Drayton, Winston Goodwin, Wade Griner, Santoni Hampton, Tommy

Hare, Dewayne Leavy, Jeff Owens, Stanley Perry, Dannie Pierce, Danny Riddle, Shane Ridgill, Greg Roberts, Randy Roberts, Will Smith, Mark Tindall, Carlos Tobias and Tommy Watson. The coaches are: Jim Hawthorne and Dick White.

## Errors, injuries hampered Terriers during '81 season

The Moore Haven High School Terriers couldn't quite put it together as a team last year during their 2-8 season, according to head coach Steve Petti.

"We had a lot of good individual athletes," Petti said, "but, we couldn't quite put it together as a team."

He said the 1981-82 team lacked depth in many positions, and many of the inexperienced players made a lot of mental errors.

Injuries also hampered the Terriers last year. Petti related that first string quarterback Cren-

nan Thompson suffered a separated shoulder in the first game against LaBelle and missed one whole game.

"Although he (Crennan) only missed one game, he was only about 80 percent until the seventh game," Petti said.

In the eighth game of the season, the Terriers were 1-7 when they played Tampa Heights, who had a 5-1 record, and the Terriers won 20-7.

"Everybody was healthy that game," Petti said.

## Terriers to watch in 1982

GERALD MOORE

Gerald Moore is a 6-2, 220-pound offensive tackle and defensive nose guard for the Moore Haven Terriers.

Gerald Moore is a gem. Terrier head coach Steve Pettit said. "He's got the potential to go to a major college." Moore is a senior this year.

If he (Moore) plays to his potential, nobody in the area can hang with him. Pettit said Moore runs a 4.8 sec. 40-yard dash.

Pettit said he expects Moore to make at least 15 tackles a game this season.

He's an animal," Pettit said.

ALLEN SLATER

Moore Haven High School senior Allen Slater is a 6-foot, 145-pound defensive linebacker for the Terriers. He runs a 5.0 sec. 40-yard dash.

According to Terrier head coach Steve Pettit, Slater made 11½ tackles last year and Pettit expects him to make at least 15 tackles per game this year.

Allen is very dedicated to the team. Pettit said, adding that "he's a physical country boy." Pettit said he looked for Moore and Slater to be the defensive anchors for the Terriers.

CHARLIE FORD

Charlie Ford, a Moore Haven High School senior, is a 6-foot, 185-pound tailback for the Terriers. He runs a 4.6-40-yard dash.

Charlie is the most explosive off the ball that I have seen in a long time," Pettit said.

He (Ford) "found himself" against Glades Day when he ran a kickoff back 80 yards while we were losing 28-0, Pettit said.

Charlie is one to watch this season," he said.

## Terrier varsity coaches

STEVE PETTIT (head coach)

This is Steve Pettit's second season as Terrier head coach. He graduated from the University of Florida in 1980 and is a former strength and power coach with the Gators.

SONNY HUGHES (assistant coach)

Sonny Hughes has been assistant varsity football coach for 16 years at Moore Haven High School. He is also head basketball coach for the Terriers.

WAYNE REESE (assistant coach)

Wayne Reese has been an assistant football coach at Moore Haven High School for seven years. He is also assistant basketball coach.

Terrier junior varsity football coaches

JIM HAWTHORNE (head coach)

Jim Hawthorne has been head coach of the Terrier junior varsity football team for 14 years. He is also head track coach.

DICK WHITE

Dick White is assistant junior varsity football coach and promoter for the varsity football team.

## More about the 1982 MHHS grid team

Senior members of the varsity squad are (left to right, front row) Leonard Ford, Norman Journigan, Bernard McPherson

Mike Moretti and Sean McCall. Back row, Barney Espinosa, Adrian Thomas, Charlie Ford, Gerald Moore and Allen Slater

# Crusaders to go for 7-2 record in 1982?

1982 CHRISTIAN DAY CRUSADERS

**BELLE GLADE** -- James Jacks, the new head coach of the Crusader football team, expects to make some dramatic improvements over last year's 3-6 record.

He's looking for the team to go 7-2 this year.

"I feel like the only problems we're going to have this year is with Moore Haven and LaBelle," he said. "We can stay with them as long as our boys don't quit on us."

To pick up a 7-2 record, the Crusaders will be relying on the leadership of Alex Morales at quarterback and safety.

"He's fast, he's intelligent," said Jacks.

"I can't say enough about the kid. He's good. He reads defenses well, plus he's the team leader. He's a real tough kid."

Jacks is also expecting a good performance from his three starting backs and the bench. Pipo Piaz will start at full back and alternate at quarterback on occasion.

Philip Echols will play tailback and David Chamblée will play wingback in the team's starting squad.

James Harnwell will fill in from the bench. The team runs an I formation offense.

The Crusaders have what Jacks considers "an excellent split end in Robert Echols. He's

quick and has good hands."

Jacks is also looking for a good performance from the line.

"Our linebackers are really gonna be tough," he said.

Jody Canellis and James Harnwell are the team's two first string linemen.

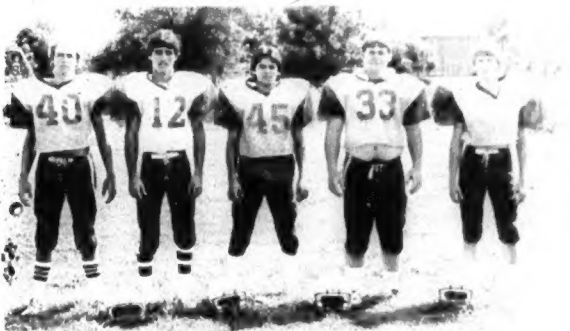

Morales at safety and Robert Echols and Chamblée at the cornerback positions make up what Jacks said he feels is a "real good" defensive secondary.

The Crusaders open their season at Fort Lauderdale at Westminster Academy Friday, Sept. 10.

They travel to Moore Haven the next week and host their first game of the season Friday, September 24, when St. Edwards. Last year, the two teams split in two games with each other. This is the first year the Crusaders will play on their own football field.

The school has leased some property from Chamblée Farms just off of state road 80 at Six Mile Bend. According to Jacks, the school is building a football field and a baseball field there.

"Eventually we hope to have some lights for night games," he said.

## CDS has new coaches

**BELLE GLADE** -- The Christian Day Crusaders gridiron squad will be led by an all new coaching staff this year with hopes to improve on last year's 3-6 season.

James Jacks has taken the reigns of head coach from Woody Salvatore, who will stay on as baseball and basketball coach.

Jacks graduated from Delta State University in Mississippi with a degree in Physical Education in 1964. While in the paratroopers, he played football and coached football for a year at a high school in Mississippi before moving to Belle Glade.

He will be assisted by John Chamblée, who graduated from Delta State also, but also attended the University of Alabama where he played football.

Chamblée will coach the offense.

Bob Hensley, a graduate of the University of Kentucky, will coach the kicking team and instruct the team's weight training.

"Our strategy is just to outsmart the other team," said Jacks. "The biggest problem we're gonna have is just to keep everybody healthy."

# Gators face rebuilding in 1982

1981 was a 'real good year'

**BELLE GLADE** - The Glades Day Gators finished the 1981 season at 7-3 and lost the district championship by one game.

"By most standards, that's a real good year," said Head Coach Byron Walker, Jr.

The Gators' 1981 season was a disappointment only when compared to the state championship season of 1980 when the Gators went 13-0.

Going into the 1981 season, the Glades Day team had a 17 game winning streak dating back to 1979.

"I didn't feel a bit of pressure," said Walker. "That may have been the problem."

That streak was snapped when Glades Day lost the opener to Pinecrest 6-14 last September 11.

The Gators lost the championship in the third week of the season last year when they lost a 15-17 heart-breaker to their rivals, Benjamin.

Benjamin went on to win the district, stay-

ing one game ahead of the Gators in the race all season.

The Gators were 1-2 after the loss to Benjamin, but picked up four straight victories to turn their season around quickly.

They defeated a Class 2A Lake Placid team 17-15 October 9, and the next week they downed Boca Academy 48-7.

John Carroll was shut-out 28-0 and Westminster Academy was crushed 50-6 before the Gators finally lost another game.

Frontpoint edged the Gators in that game, 21-33.

The Gators won their homecoming game against Moore Haven 35-6 on November 13.

The Gators ended their season with a 36-6 victory over Shorecrest Prep.

Their 7-3 record was the best of the four high schools in the Belle Glade and Pahokee area, although it didn't gain them a playoff berth.

## Gator coaches bring quality to program

**BELLE GLADE** - The Glades Day Gators' coaching staff brings a history of quality to the school's football program.

Byron Walker, Jr., has been with the team for seven years, six of them as head coach.

In that time, he has led the Gators to three district championships and a state title.

In 1977, the team won its first district title. It shared the title the next year.

In 1980, it won its third district title en route to the state championship.

1979 was the Gator's worst year under Walker, going 6-4.

He has a 43-11 record as head coach, bringing

the program's total record to 64-30.

Walker will be assisted by three others, the first time the school's football team will have the guidance of a four-man coaching staff.

Mandy Perez will be a varsity assistant for the third straight year, acting as defensive coordinator.

"He thinks alot like I do," said Walker, who said Perez has never coached under anyone else but him.

Dick Schmidt will also be in his third year as an assistant coach, coaching the receivers, linebackers and special teams. He started as a junior varsity coach with Perez.

"A lot of the credit for what these kids are capable of has to go to them," said Walker.

Jack Hopler will be starting his first year as a coach on the team, having been the JV coach last year.

"He's young, real young," said Walker. "He's learning the ropes and should be a real good coach."

Walker said he thinks the four man coaching staff should work to the Gators' advantage because each player can receive more individual attention.

Coaching the junior varsity squad this year will be Ken Buckner, a 1977 graduate of Glades Day School. He went to North West Oklahoma State on a football scholarship, said Walker.

Buckner will be assisted by Larry Lauer.

**BELLE GLADE** - "We're in a rebuilding situation," is the word from Glades Day Gators Head Coach Byron Walker, Jr. on the team's 1982 season.

"We have a lot of inexperienced players. But we have confidence in what we have," he continued.

The Gators open up the season with four straight games against 2A schools before playing their first 1A district game against King's Academy October 15. That game will be played away.

Last year, the Gators lost their opener against Pinecrest, something Walker hopes to change this year when the Gators host Pinecrest in the opener September 10.

"It's important to win the opener regardless of who you play," said Walker. "It sets the tone for the whole season."

But with the Gators seeing nothing but 2A teams in the first month of the season, Walker and Assistant Coach Mandy Perez said they won't be ready to throw in the towel no matter what happens.

According to Walker, the Gator's first four opponents, Pinecrest, Bishop Verot, Cardinal Mooney and Lake Placid, have four things in common: they outshadow the Glades Day gridiron squad; they outsize the Gators; they have overall better speed than the Gators; and they come from bigger schools than Glades Day.

"We could be 0-4 before we play something in our district," said Walker. "We're not gonna be discouraged. Our goal is to win the district title again."

The Gators have won the district title three times and the state championship once in Walker's six years as head coach.

"Our kids have something that's special," said Walker. "That carries us. We're the same type of people, these kids and me. They know that I want to win more than anything else in the world when it comes Friday night."

Perez calls that special something "tenacity," and Walker agrees.

"That tenacity is what carries us all these years," Walker said.

The Gators have two other pluses on their side, said Walker.

One is strength and the other is the ability to play as a team.

"I don't think any of those four teams are gonna be stronger than we are," said Walker.

If we can be together by the time we start to play, said Perez, "we're gonna win."

According to Walker, the team's biggest weakness could be at halfback, where he sees a "severe lack of depth, size and speed."

He also sees some "good strength and quickness" at that position though.

With new experience starting, the offensive is a little inexperienced, but the team has a returning quarterback in Raul Garcia and returning fullback in Davey Haynes to help strengthen the Gator attack.

"We feel real good about our defensive line people," said Walker, citing the line's strength and quickness, but acknowledging a lack of depth at linebacker.

He said the team's biggest question mark is the secondary. There isn't a great deal of speed or size there, but some good motion he said.

In recent practices, he said there has been some "good solid performances" among secondary players, and he added expects to use a combination of five people there.

Garcia will be starting at quarterback, adding some needed experience at that key position.

Kent Connell will be expected to put together a good year if the Gators are to have a decent season.

"He has all the tools," said Walker of the defensive and offensive lineman. "If he plays anywhere up to his potential, he should be all state or something is wrong with voting."

Frank Thompson is expected to put in a good year at defensive end.

Marlin Tyson was cited by a coach at the All American Camp in Macon, Georgia as the best tight end in the camp, according to Walker, who added that Tyson has "tremendous hands."

Lamar Landing will be counted on to have a good year on both sides of the game.

Hal Lashley will be depended on by the Gators, said Walker.

"If we're to have any kind of a year, he's gonna have to grow up in a hurry," commented Walker.

"Jeff Parsons has 'grown up a lot already' and will be relied on heavily also, according to Walker.

Brian Lohman was cited for a secondary starting role. "He has good moves, he's quick, strong, not real fast," commented Walker.

Walker and Perez also recognized the contribution they expect from Tomas Hernandez.

"He's the hardest worker on the football team," said Perez. "We don't say much about him because we take him for granted."

"He's the best all around football player we have," agreed Walker. "He's quick, strong, smart. He's a little fireplug."

Barring injuries, Walker said he thinks the Gators have chance to put together a good season.

"We just have to improve each game so that when we take the field in the fourth game, we're putting out the best football team we can possibly field," he said.

Last year, the Gators lost the district title in the third game of the year when they dropped a close one to Benjamin, 15-17.

That game was played at the rivals' field. This year, the Gators host Benjamin October 29 and will retain the home-field advantage.

The first game of the season is September 10, against Pinecrest at home.

# Pahokee loaded with talent for 1982

THE 1982 PAHOKEE HIGH SCHOOL BLUE DEVILS

RETURNING BLUE CHIP PLAYERS, all area and all conference, are Blue Devils, Walter Mullins, Johnson, Michael McIlwain and Jeff Mullins.

QUARTERBACKING for the Blue Devils will be Antonio Wilson, Eddie Pettigrew and Andrew Barry.

PAHOKEE HIGH SCHOOL BLUE DEVILS coaching staff, from left to right, Sandy Hyneman, Ben Johnston, Otis Jordan and Eddie Rhodes.

## Hyneman starts 2nd year at Pahokee

PAHOKEE—When the Pahokee High School Blue Devils varsity football team go up against Pope John Paul on Sept. 10, the team will begin its second year under Sandy Hyneman.

Hyneman was named head football coach in 1981 at the local high school following the resignation of Antonio Russell.

Russell is now the assistant principal of Pahokee High School.

Hyneman served as an assistant under Russell prior to becoming the head coach.

The Devils compiled a 5-5 record during Hyneman's first year. This year, like last year, Hyneman has his work cut out for him. During the 1981 season, the Devils played only two 2A schools and the Devils' 1982 schedule may even be a little tougher, with teams like Boca Raton, and Ft. Pierce Central on their schedule.

However Hyneman sees the season as a challenge, a very big challenge. "This year's team is better than last year's. How well we do, depends on good the teams on our schedule are," said Hyneman.

Assisting Hyneman are assistant coaches

PAHOKEE—Under the leadership of first year coach Sandy Hyneman the Pahokee High School Blue Devils 1981 season would be an average one for the Devils.

The Devils would finish the season with a 5-5 record. Playing one of the toughest Class 2A schedules in the state, the Devils would play such teams as Cardinal Newman, Boca Raton, Forest Hill, Fort Pierce Central, Fort Pierce Westwood and arch-rival Glades Central.

The only 2A teams on the Devils schedule would be Clewiston and Immokalee.

In the opening game, the Devils would fall to Cardinal Newman 10-6. Pahokee found itself behind in an attempt at the two point conversion.

The Crusaders jumped to a 3-0 lead on their first drive when Pete Poak hit a 34 yard field goal.

Blue Devil Richard Lyndale would fumble the ball into Newman's waiting hand and Alonzo Jefferson would run it in for the touchdown.

Before the first half closed, the Devils quarterback Bernard Johnson connected with Joe Walker for a touchdown, but Pahokee failed to score the rest of the game.

The rain came the second game, and Coach Sandy Hyneman said it was a major factor in the Devils' loss to Ft. Pierce Westwood on its second outing.

Pahokee lost 14-0. Both Panther touchdowns came in the first half. The Blue Devil defensive team blocked the first attempt at an extra point, but after the second six-pointer, the Panther succeeded in an attempt at the two point conversion.

The Panthers defense also blocked a field goal attempt.

The Blue Devils third game of the season ended the same way as the first two, the Devils would lose to Fort Pierce Central.

Fort Pierce won the contest 11-0. Pahokee came away back against the Forest Hill Falcons. The Devils won the game 20-0.

The Devils were playing before a Homecoming crowd at their own L.J. Stadium. When the game was over, it was the Falcons who left scoreless and the Blue Devils who looked invincible.

Kenny Barva carried the ball 15 times for the Devils for 322 yards and two touchdowns.

In a district contest against Clewiston, the Blue Devils would see their hopes for a district title vanish.

Clewiston would win the contest in overtime.

Pahokee was held 6-15 at the half and scored one touchdown in the third quarter and another in the fourth. But it wasn't enough to claim victory.

The Tigers scored six as regulation time ended and won the game 19-18 in overtime.

Going into the Jupiter game, Coach Sandy Hyneman didn't think his team was emotionally up for Jupiter after the loss to Clewiston.

It took a Warrior touchdown to bring them to their senses, according to Hyneman.

Not long after the Warriors third quarter touchdown, Blue Devils Walter Johnson ran the ball in from three yard line, and Basil Benjamin tied the game with the extra point.

The score was still tied 7-7 at the end of regulation time.

Pahokee scored quickly in the first overtime period, but before the period was over, the Warriors came back with a six point play to tie the game again.

An interception by Alvin Hill early in the second over time stopped a Jupiter drive, and when Blue Devil Bernard Johnson ran the ball in from the 10 yard line, putting the Devils ahead 19-13, the scoring was completed.

In the game against Immokalee, the Devils scored just once and that was enough.

The score was tied at zero in the third quarter when Pahokee took possession of the ball at its own 35 yard line.

Immokalee was called for a face mask penalty and in a six play series, Mullins carried the ball up field.

Despite a gusty effort, the Devils would lose to Boca Raton on their next outing 9-6. The Blue Devils going to the game as underdogs, led 6-3 going into the fourth quarter. Late in the fourth quarter, it took linked over time when John Duryea kicked his second three pointer.

Duryea would kick a third field goal with one second on the clock to win the game.

The Devils final game ended with a bang with a convincing victory over arch rival Glades Central High School.

The Devils on touchdowns by Jeff Mullins in the first and second quarter would win the game 14-6. Glades Central only points would come in the fourth quarter with a touchdown by Randy Rutledge.

## Pahokee a standout in Class 2A play

PAHOKEE—For years the Pahokee High School has stood out as a giant among Class 2A Schools in the State of Florida.

The Blue Devils have won several state championships, and placed several players in the professional ranks.

Pahokee can boast of having All American Ricky Jackson playing for the New Orleans Saints. James Burroughs drafted to the pros during the 1981 drafting season and having Ronnie Osborne (former Pahokee quarterback) return to Iowa State for another big year. Osborne earned second team All Big-Eight honors last season after a sensational season at safety. He finished with 78 tackles, broke up 10 passes, intercepted one and recovered three fumbles.

Coach Sandy Hyneman, into his second year as head football coach at Pahokee High School expects more of his players to follow in the footsteps of Jackson, Burroughs and Osborne.

Pahokee has several key players destined to follow in Jackson's footsteps (minus any major injuries), however at the present time the Devils are looking forward to a winning season and a trip to the Class 2A football finals.

One key play, Hyneman is depending on to help provide leadership ability on and off the field is linebacker Walter Johnson. Johnson, an all-state player from last year has been selected as one of three team captains for the 1982 squad.

Michael McIlwain and Antonio Wilson were also selected by team members as captains.

Coach Hyneman said he differs with coastal sportswriters on their predictions.

"I don't put much faith in pre-season prediction," he said.

Hyneman said he's certain the 1982 team is better than the 1981.

"The returning players are motivated and are helping the junior varsity players now playing varsity learn the new system."

Hyneman said he couldn't predict how good the Devils would be this year.

"How good we are depends on just how good the opponents are," said Hyneman.

Hyneman has 17 good points in his favorite. Seventeen of the 22 starting players on the varsity team are returning players.

Antonio Wilson will be starting for the Devils at quarterback. Wilson started out as the second string quarterback for the Devils last year, but ended up starting five of the last six games.

Eddie Pettigrew and Andrew Barry will also assist Wilson with the quarterbacking duties.

Hyneman also is blessed with having three blue chippers, Jeffery Mullins, Walter Johnson and Mike McIlwain.

Running back Jeff Mullins was one of the Devils leading scorers last year.

Walter Johnson will hold down the offensive line from his tight and position and the defense from his linebacking position.

Veteran guard Mike McIlwain has game breaking potential offensively and defensively.

Also like last year, the Devils will play schools that are 3A and 4A. The Devils will face such teams as 3A Fort Pierce Westwood, picked to finish the season 8-2 and 4A Boca Raton picked to be 10-0 at the end of the season.

If the Devils past records are any indication of the 1982 season, the Devils could very well do better than 5-5, last year's record and 7-5 the 1982 prediction.

# Raiders hope to improve on '81

**We're the team that's on your team!**

**BELLE GLADE**—A time-honored method of predicting high school championships is to pick the team with the most returning starters or outstanding players.

By this formula, area coastal sportswriters have already selected Cardinal Newman, (the home of Alonso Jefferson, the county's most wanted football player) to finish at the top in the Suncoast West Conference.

The Crusaders have captured two consecutive conference crowns, yet their season has never gone past Thanksgiving.

The reason: The Raiders of Glades Central High School.

The Raiders have managed to tarnish the Crusaders winning season every year to represent the District in the State Playoffs.

This year under the leadership of Daniel Brown, coastal sportswriters are predicting Cardinal Newman will be playing pass Thanksgiving because Brown can't possibly replace players the calibre of Quarterback Jacob Rhames and end Ray McDonald.

Brown, Raiders coaches, players and fan won't give in to defeat to Cardinal Newman quite that easy.

Brown won't make predictions on the 1982 season, nor will he attempt to hide the fact the Raiders have a lot of "vancancies to fill," yet he and members of the Raiders coaching staff are

looking forward to a good year.

"The kids are highly motivated, and roaring to play. Being eliminated from the Suncoast Jamboree (Friday Sept. 3) could be a blessing in disguise," he said.

"Playing in the jamboree would have given the players some experience, yet waiting to play the first home game, the players will be even more motivated," he added.

Brown said one of the Raiders areas of weakness will be in the quarterback position, due to a lack of experience. The Raiders has tapped three players for the position of quarterback, Kenneth Hammond, Eric Smith and Louis Oliver. Smith has been tapped by Brown as the starting quarterback. Eric was the third string quarterback during the 1981 season by Jacob Rhames and Jeffery Willis. Smith also was wide receiver for the Raiders last year.

One area where the Raiders will have strength is on the offensive line with the return of Tommy Duhart and Center Tony Moore.

Tail Back Randy Rutledge also will add some depth to Glades Central Offensive line with his experience.

When the going gets tough, who knows Alfonso Jefferson and the Cardinal Newman Crusaders might find themselves not playing pass. The Thanksgiving this year, at the expense of D.J. Brown and the Glades Central Raiders.

THE RAIDERS COACHING STAFF, from left to right, Jay Seider, Robert Police, Daniel Brown, trainer Sam King, Odehler Freeman and Don Andrews.

## Recap of 1981 Raider season

The Glades Central Community School Raiders 1981 season was to be season of ups and downs. The Raiders would lose the first game by two point, knock over the next five opponents before losing their homecoming to Lake Worth High School.

Defense was the name of the game on Sept. 11, the Raiders' opening game. The Raiders football squad would lose to Fort Pierce Central 5-3.

Two field goals and a safety comprised the scoring. Fort Pierce, which trailed 3-2 with only six minutes left to play, clinched the game with a 24-yard field goal by Ron Hollis.

According to Coach Ben McCoy, "the Raiders just couldn't get anything going."

The Raiders led 3-2 at the half, a lead they managed to hold throughout the third quarter and most of the fourth, until Hollis hit the game winning point.

On Sept. 18 the Raiders marched to the victory circle. Glades Central defeated North Shore 35-6.

The Raiders opened the scoring early. Only a minute and five seconds into the first quarter, quarterback Jacob Rhames threw a 67 yard touchdown pass to Ray McDonald. The Mustangs' sole score came on a third quarter pass interception which was run in for the touchdown. An attempt at the two-point conversion failed, leaving the score at 25-6 until the last period.

It was the first time the Mustangs scored against the Raiders since McCoy took over three years ago.

In the fourth quarter, the Raiders put 14 points on the board via two touchdowns and a safety, and the game ended 39-6.

The third game of the season, The Jupiter High Warriors came to Glades Central and ran into trouble by the name of Raymond McDonald.

The senior wide-receiver connected with quarterback Rhames three times for 96 total yards, scoring two of the five Raiders touchdowns.

The Raiders won the game 32-0, and as of the Jupiter game had outscored their opponents 64 to 11 in the first three games of the season.

Glades Central was to continue its quest for power the fourth game of the season. In a district contest against Cardinal Newman, the Raiders would terrorize the Twin Lake Field.

The Crusaders, at first, were unwilling victims. They were ahead 14-13 at the half, but 24 minutes later, they were looking up a 45-14 defeat.

The Raiders came on strong in the second half. Quarterback Rhames completed 10 passes out

of 18 attempts for five touchdowns and 209 yards. McDonald caught six passes, for them for TDs, and picked up 159 yards for the Raiders.

On the fifth game of the season, the Raiders prepared for a district clash. The Raiders entertained Twin Lakes. Rhames and company kept the ball moving. Rhames connected with McDonald once for a touchdown, and Arthur Monroe lead the team with two passes caught and 11 carries for two touchdowns, in the 49-0 victory.

The Raiders clinched the District spot the sixth game of the season with a 35-7 over the Atlantic Eagles.

Rhames threw the ball 16 times for eight completions and one interception. He threw three touchdown passes to his receivers, one of them a 66 yard pass to Arthur Monroe.

The Raiders were to lose their homecoming on their next outing to Lake Worth High School. When the final whistle blew and the clock showed 20:14 in favor of the Trojans. Defense proved to be a factor in the Raiders loss. Trojan quarterback Ricky Pinkney escaped from the arms of Raiders tacklers several times in the game and turned what could have been yardage losing sacks into yard gaining runs.

Glades Central was to lose their second straight game the following week against Suncoast. The Raiders had the Charges down 13-0 in the third quarter when the Charges changed the tide of the game.

When the Charges comeback started, Clyde Walton carried the ball in from the seven yard line, and the after the conversion failed, it was 13-6.

In the fourth quarter, Charger quarterback James Hunter went to the air and connected with Richard Reilford for a 50 yard TD pass. A two point conversion attempt succeeded and the score was suddenly turned around 14-13 Charges.

On Nov. 6, the Raiders snapped their two game losing streak to beat Westwood, 7-0.

They drove 60 yards in the opening minutes of the game, a drive which culminated in a four yard touchdown run by Quarterback Rhames.

In the final regular season game the Palmetto High School Blue Devils upset the Raiders.

The Devils upset the Raiders in 14-6 on Friday the 13th in the Annual Glades Football Classic. The Raiders season came to an end on Nov. 27 at Suncoast High School. The Charges defeated the Raiders 3-0 in the Regional playoff.
